

7th/8th Grade Class supply list for the 2017-2018 school year:

Required:

- FOUR 1"-2" three-ring binders (one for each subject – English, Math, Science, and Social Studies)
- Dividers (NOT folders) for each binder (5 dividers X 4 binders = 20 total dividers. They are usually sold in packs of 5)
- Loose leaf paper for all 4 binders.
- A package of blue or black regular ballpoint pens
- A package of No. 2 Pencils
- A large eraser
- A LARGE (JUMBO) book cover for a Social Studies textbook
- A LARGE stretchy cover for a Math textbook
- A traditional composition notebook (**see picture below**) for English
- **Earbuds for computer use!** (**see picture below**)

Optional:

- A calculator (Standard is fine. Example: TI-30)
- A small, individual pencil sharpener
- A highlighter

Not needed:

- Ruler
- Scissors
- Paper clips
- Glue
- Colored pencils
- Markers
- Hole puncher
- Stapler
- Rubber bands

Please DO NOT buy:

- White out (liquid or otherwise)
- Sharpies/permanent markers
- **Spiral-bound notebooks** – these seem helpful, but they create a lot of mess and don't fit into binders. Please only get loose-leaf paper, thanks!
- ***Multi-subject binders*** – These are often unreliable and easily broken. Please avoid these at all costs, particularly if they zip-close or hold trapper folders.
