

# Extended Day Activities Program - Session 2 (Program Offerings)

## Monday

### **Arts & Crafts (Grades 2 - 4) / Arts & Culture - Monday**

Scholars will be able to express their individuality, dreams and ideas through a variety of age appropriate art projects. They will utilize their fine motor skills, time, a variety of materials and creativity.

### **Fundamental Basketball (Grades 2-4)/ Sports & Recreation - Monday**

Scholars will learn the basic development skills needed for playing the game of basketball. Scholars will enhancing their enjoyment, participation, and development in the game. Playing basketball fosters the development of peer relationships, self-esteem, leadership qualities, and physical health.

### **Zumba for Kids (Grades Pre K - 1) / Sports & Recreation - Monday**

Zumba is a specially designed program and set of sessions to bring the excitement and exercise of Zumba to children of all ages. The children will have an opportunity to boost their confidence and interact with their peers while increasing their memory by learning and fun energetic movements. Our goal is to keep children active and healthy while having fun in a "party like" environment.

### **Double Dutch (Grades 2-4) / Sports & Recreation - Monday**

Double Dutch Club afterschool to teach male and female scholars from grades 2-8 basic jump rope and double dutch skills. It will elaborate on the skills they learn during physical education class during the day. This program will give participating scholars another physical activity skill they can use to increase their physical health and well-being. It will also help the scholars learn cooperative play. Being afterschool, they will interact with students from other classes and grade levels that they normally wouldn't.

### **Double Dutch II (Grades 5-8) (5:30pm-6:30pm) & One Hour Homework Club (430pm-5:20pm)/ Sports & Recreation - Monday**

Double Dutch Club afterschool to teach male and female scholars from grades 2-8 basic jump rope and double dutch skills. It will elaborate on the skills they learn during physical education class during the day. This program will give participating scholars another physical activity skill they can use to increase their physical health and well-being. It will also help the scholars learn cooperative play. Being afterschool, they will interact with students from other classes and grade levels that they normally wouldn't.

### **Computer Club (Grades 3-4) / Science & Technology - Monday**

The purpose of the Computer Club is to provide an atmosphere in which scholars who are interested in computers and computer gaming can share their ideas, knowledge and proficiency with others. Students will be able to learn basic computer skills, keyboarding, mouse skills, Windows basics and Internet Safety.

## **Tuesday/Tuesday & Thursday**

### **Posh Painting (Grades Pre K - 1) / Arts & Culture - Tuesday**

Scholars will be able to express their individuality, dreams and ideas through a variety of age appropriate art projects. They will utilize their fine motor skills, time, a variety of materials and creativity.

### **Girls Only Club!! (Grades 2 - 4) / Sports & Recreation - Tuesday**

Girls is a small-group health, fitness, prevention/education and self-esteem enhancement program designed to meet the developmental needs of girls in grades 2-4. Through dynamic sessions, participatory activities, field trips and guest speakers, Jumoke girls explore their own and societal attitudes and values as they build skills for eating right, staying physically fit, getting good health care and developing positive relationships with peers and adults.

### **Discovery Science (Grades 2-4) / Science & Technology - Tuesday & Thursday**

The Discovery Science program focuses on developing scientific literacy for elementary scholars. During this program, scholars will expand and demonstrate their scientific knowledge through performing hands-on learning, creating presentations, and performance assessment(s). This program will prepare scholars to meet grade level science standards, learn about careers in STEM, and convey scientific concepts.

### **Martial Arts - Dr. Joe Jones (Grades 1 - 8) / Arts & Culture - Tuesday and Thursday**

The objective of the Martial Arts program is to teach discipline and the art of Self-Defense, properly maintain a total person (spiritual, Academic and Naturally), to instill respect for authorities, elders, adults and peers, to show the most effective means of self-protection, without the use of excessive force and to develop one's self confidence. Uniforms are optional. For more information please contact Dr. Mattie Jones at [drjoryu@aol.com](mailto:drjoryu@aol.com)

## **Thursday**

### **Lego Club (Grades 2-4) / Arts & Culture - Thursday**

Scholars will be able to use Legos to express their creativity and imagination while learning! Legos can be used to represent a story they've read, to build something they've learned about and/or to just have fun!

### **Jr. Food Explorers (grades 1-4) / Math - Thursday**

The program will dive into the five food groups in MY Plate! Each week will focus on one food group, starting off with an interactive nutrition activity, followed by a hands-on activity where children will make a healthy and tasty snack using ingredients from the food group of the week. The program will teach scholars the basics of healthy eating, with a hands-on approach. The program will be nut free and the scholars will come home with new recipes, new skills and new knowledge about the food that they eat.

## **Friday**

### **World of Tales/Story Book Club (Grades PreK - 1) / Literacy, Writing & Vocabulary - Friday**

Scholars will read stories from around the world each week and will work on projects that goes along with the Theme, Characters and/or Setting.

**Jazz Funk/Hip Hop Dance - (Grades 2-4) / Arts & Culture - Friday**

This class will help students learn the basic techniques of various dances in street jazz and hip-hop and their influences. Classes are aimed to enhance and develop concentration, team work and cooperation skills, rhythmic/time awareness and listening skills. Classes are open to boys and girls.

**Table Tennis (Grades 2-8) / Sports & Recreation - Friday**

During after school hours, we provide scholars an opportunity to learn the exciting, dynamic and strategic sport of table tennis. Our programs incorporate more than table tennis. Through the sport that everyone loves to play, we teach leadership, fitness, teamwork, and fair play.

**Math Club & Math Games (Prek-Grade 1) / Math - Friday**

Math activities are the perfect way to get your young learners excited about numbers and early math concepts. Combining art, crafts, games, and fun, scholars will enjoy exploring and building foundational math skills such as counting, sorting, adding, and even creating and solving.

Please forward your completed enrollment form and payment to the Main Office at any of our locations. Each activity has a limited number of seats available and enrollment will be processed on a first come first serve basis with payment. In the event of low enrollment, you will have the option to be placed in an alternative class or payment will be refunded. Students may enroll in any two Spring Session activities for \$60.00. **If you have a past due balance it is imperative you contact the Business Office to make payment before enrolling in the program. If you have questions about your account(s), please feel free to log into PowerSchool to review your account and/or contact the business office at 860-904-7830.**
